R Con Europe

In October, after staying close to home most of this year, Holly attended a conference held in southern Europe for missionaries in Africa, Europe and the Middle East. We can't show everyone's face, but here we see Antioch Raleigh's three medical missionaries serving in Mozambique between Holly and Raleigh's lead pastors Steve & Brenda. Antioch missions teams are typically comprised of one, two or three families. Every other year the movement hosts an event to refresh and encourage everyone together with corporate worship, meetings with pastors and member care staff to increase the spiritual health of individuals and marriages.

Pilgrimage to Oklahoma

It's been 30 years since Andrew graduated college. Oral Roberts University (ORU) had no "Class of '93" reunion this year, but two weeks before Thanksgiving was homecoming weekend, so we took a brief vacation to visit the campus. Holly had never visited Tulsa but enjoyed the Okie version of Tex-Mex food, a hard hat tour of new construction, and school history in the prayer tower. At the chapel service, they announced that an ORU film student won this year's 168 Film award for Best Student Speed Film shot in one week (168 hours) at this Christian festival which this year partnered with Angel Studios.

We took photos at the final banquet and the "Praying Hands" statue of 30 tons of bronze standing 60' tall at ORU's entrance. Looking back three decades, we know the Holy Spirit has used a lot of imperfect people at imperfect places to build us up in the likeness of our perfect Savior. We attended a weekly early morning prayer meeting, realizing if we had to do college over again (including Holly's time at Moody Bible Institute) we would want to seize more opportunities making friends and focusing on God's Kingdom like that.

Buddhist Series Updates

Episode 3 of *Building the Buddhist Series* released November 15. See it (and past episodes) at twrmotion.org/bbs. This finished scene here is from the Creation episode and incorporates feedback from Thailand that illustrates the story better without confusing non-Christians.

Our Videos, Your Outreach

We have finally begun making our finished series available on the TWR360 platform. To select a language, go to twrmotion.org/twr360 and choose *Share the Story* (20 Bible stories) or *He Changed Me* (12 testimonies). As we write this, only Modern Standard Arabic is available for either series. More languages will be loaded into the system monthly. Andrew is busy editing the latest two for Pakistan (Dari and Pashto), and early next year both will join over a dozen others, which include French, Spanish, Urdu, Bosnian and Farsi.

You can read along with the episodes thanks to optional English captions provided. Now, you can share these Bible stories and testimonies produced in North Africa and the Middle East with coworkers and neighbors. We're excited to help empower your local ministry.

Merry Christmas,

Andrew & Holly
